Please join us for the 27th Annual Rabun Rendezvous

"As always I am looking forward to the Rendezvous, it's like a big old family reunion." Garland Stewart

**The Rabun Chapter of Trout Unlimited proudly presents
A Celebration of Rivers, Streams, Trout, and Trout Fishing !**

Saturday January 25, 2014 starting at 5 pm

Where: The "NEW" Dillard House Conference Center (doubled in size), located behind the Dillard House in Dillard, Georgia.

Who: The more the better. Everyone interested in protecting our cold-water resources, including their families, friends, and all who love clean cold streams, trout, and trout fishing.

Social: About 5 o'clock PM folks will start gathering to "pick the pig" and enjoy the rocking chairs on the porch of the Conference Center. There will be snack trays of cheeses, crackers, veggies with dips, and fruits. Soft drinks and ice will be available. If you want something stronger, better bring it yourself. There will be a fire inside to warm your buns.

The Foxfire Boys (as seen in the Chattooga River episode of TUTV's "On The Rise") will again generously provide their 'down home' style of bluegrass picking and singing for your musical entertainment. **Remember to ask about The Foxfire Boys CDs (now 4 of them), which will be available.**

The large screen TV will be showing the Rabunites trout fishing some of their favorite 'secret spots'. This will be the ideal time to be looking over the raffle and silent auction items. We welcome donations of raffle and auction items at the door, fellow TU'ers.

Dinner: Fish, chicken, and pork with all the side dishes and desserts that have made the Dillard House so famous, will be served about 6:30. It is a serve yourself buffet, so you will not leave hungry.

Cost: \$30 for adults and \$25 for youth of 15 and under. Cash, personal checks, VISA or MasterCard credit cards. We don't do advanced tickets or reservation; just pay at the door. Preschoolers receive a free ticket.

Lodging: The Dillard House has set special rates for rooms for those that call and tell them you're attending the Trout Unlimited Rabun Rendezvous. Call: 706-746-5348 or Toll Free 1-800-541-0671

You must tell them you are there with Trout Unlimited to get the special rate.

Program Presenter: Shelia Humphrey from Smithgall Woods State Park. Shelia is a Wildlife Interpretive Specialist who works with various youth groups on location at the park and at other venues around North Georgia. Shelia will be sharing with us the opportunities for youth at Smithgall and some of her past experiences working with the youth. Her enthusiasm alone is worth attending this event. Shelia can light a spark in all ages about water and trout conservation!!!

Request to the Rabunites and Friends

With the budget crunch faced by the agencies (the US Forest Service and GA WRD), Trout Unlimited can again step-up in 2014 and be the lead financial partner in protecting, preserving, connecting and enhancing the cold-water resources in Northeast Georgia, including the "Back the Brookie" activities. The Rabun Chapter's major fundraiser of the year, the Rabun Rendezvous, is just a few weeks away. Now is a good time to ask friends and supporters for donations of goods and services for the silent auction and bucket raffle.

Need an idea for what you can donate?

Art, crafts (wood working, fishing flies, etc.), a campout with fishing, a day of lake fishing, a day of deer hunting on a lease, a day of wild turkey hunting, vacations, golf packages, raft trips, weekend use of mountain cabins or condos at beach, and goodies from the kitchens of the Rabunites (cakes, breads, baskets with canned veggies, jams, jellies and preserves) have always been popular with our guests. Instead of buying something to donate, consider just donating the cash.

Don't miss all the fun !! See you there!!!

WHAT ARE THEY BITING ON ???

Oreck's Easy Egg

Not only do you get to learn about a great egg pattern for winter fishing, it comes with a great story also.

A handful of these were given to me by a young Daniel Rabern, one of my first troutng adoptees from more than a decade ago. He saw the pattern on TV and tied them up. We tried them out on the best troutng classroom ever created by Mother Nature and NCWRC, the Nan DH. They worked!!!

Daniel was a troutng fanatic and a heck of a stalker. He was one of the Ole Rabunites favorites on The River and at Salmon Camp on IDBIS stream. When Daniel was about 17, Adams summoned him over to the campfire bench. Adams explained that "Hoover" was already assigned to Kyle. Then Adams ordained Daniel as "Oreck!"

Enough about the pedigree; on to the pattern:

Cut about 1.5 inches of apricot egg yarn and split it lengthwise so you'll have supplies for two flies. Lay one strand lengthwise across the top of a size 12 or 14 egg or nymph hook in your vise. Cinch it down with 4 thread wraps at shank mid-length. Then grab both ends, pull them together vertically over the hook, and wrap them together to form a parachute post, like you would tie for a dry.

Hold the end of the yarn post with one hand and cut it about 1/3 inch long from the shank with the other. Cut with an up, across, and down motion so the end is a slight semicircle.

When you let go, it should splay out into a mushroom, or half an egg on top of the hook. Put a red dot on top, in the middle, with a red sharpie.

Tie at least six at one time to practice technique and get proportions right. Then take all six and dab the posts with superglue or head cement.

Fish the egg on 4 or 5x tippet about 8 inches behind a knot and enough shot to bottom-roll it. If you're greedy, add 16 inches of the next lighter tippet to the hook bend and tie a #18 or 20 pheasant tail to the tag end. Fish seem to eat half an egg as well or better than a whole egg, and these things are just so darn easy to tie!

That's my winter go-to combo. Give the Oreck Easy Egg a try this winter and see if you haul out six to ten fish per Chattooga DH pool.

And take a newbie fishing. These folks can get good quickly and teach us old dawgs some new tricks, like the Oreck Easy Egg. Maybe that next Rabun County Boy Scout will show ole Steve Perry a trick or two...

Thanks for my Christmas present from more than a decade ago, Daniel!! We're passing it on.

Just before Christmas two men went fishing.

Their story as told by Jeff (dredger) Durniak:

Ken "Cheesegrits" Riddleberger had a mystical day on the Chattooga DH as he broke in the new Mystic rod he "stole for a song" at the 2013 Rabun Rendezvous' silent auction. Saturday (12 - 21) was a wet, but warm day on the river, and the hot fly was a red copper john dropped behind an apricot Oreck egg - and just enough lead to tick the bottom. Cooperative fish were packed into the heads of shallow pools. Despite the steady rain, the warm air temperatures, rising water temperature, and moderate stream flow combined for an early Christmas gift of a day on The River for two fishing buddies. Gortex, fleece, and cooperative fish helped the duo dismiss all the raindrops.

Ole "Cheesegrits sez he's already got the 2014 Rendezvous date marked on his calendar

Waaaaahhhh - Ho ho ho!!!!!!!!!!!!!!!!!!!!!!

Prez Pat and Tammy spend New Year's fishing at Smithgall Woods State Park

On New Years Eve and New Years Day Tammy and I spent two days and nights at a cabin in Smithgall Woods State Park (the Chapter had given us one night as a wedding gift). It was great: the cabins are very nice, fully furnished, with a wood stove and firewood, and a hot tub outside on a privacy deck (we really liked that!).

Folks who stay in the cabins are allowed to fish the uppermost section (Section 0) of Dukes Creek. That section starts just above the picnic area and goes up to the FS line, and includes Dover Creek to the FS line. Continued on next page

Fishing Reports

Pat and Tammy cont... The Wed, Sat and Sun fishermen can't fish that section (they can only fish Sections 1-4), and the cabin folks can't fish in Section 1-4 unless they sign up for one of the Wed., Sat., or Sunday sessions.

We Fished Section 0 both days. The lower end is very rough and with gorges and deep plunge pools. Mostly we fished from the first cabin up to the FS line, with runs and riffles and a few plunge pools. We didn't fish Dover Creek but next time I will, it looked really good.

We found a good run behind the flower garden just down from the ford, that Tammy could fish easily. She really got the hang of water haul casts. We found the fish either wanted big and ugly flies (#12 black wooly booger) or small flies (#18 pheasant tail).

She hooked one pig of a rainbow , but it jumped and threw the hook. She turned with a look of amazement at me - "Did you see that???" She hooked one other in that same run but lost it too. Unfortunately the switch just was not on and those were the only two fish she hooked. But I think she is now hooked on fishing. I'm a lucky man. Prez Pat
ps - I landed three and lost 4 big ' uns.

The ice cube trip

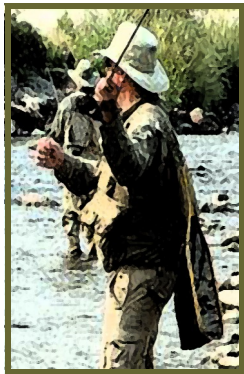

Two certifiably crazy Rabunites and an adopted youth, who was too young to know better, decided to hit The River today (1/4/13). It was cold, but we had fun. Fly guide and Dredger enjoyed the crisp clean air, gin-clear water, and awesome winter scenery (code words for their slow catchin' in the 36 degree water), while College Boy cleaned out the rest of the river with his darn Euronymphing technique. His 23 fish to hand nearly quadrupled the combined catch of the two senior citizens. Since the trio was dressed warmly , it was a great day on the river when most folks had shied away from the outdoors due to the January chill. By: Jeff "Dredger" Durniak

Did you know that the Rabun Chapter has an award winning web site? Awarded best web site in 2010 from TU National, it is full of information covering every aspect of our chapter and chapter happenings. This is great place to click on to when needing information, fishing advice, and chapter happenings. One of the best places to start on the web site is the chapter history. How did the Rabun Chapter come to exist? It's a story of how three anglers befriended others in the area with similar interests to form a fishing club which lead to the official Rabun Chapter of TU being chartered on August 7, 1986. Take a look and start learning or refreshing your memories about how it all got started.

Trout Unlimited recently updated their web site. The new web site features even more information, news, events, fishing tips, conservation efforts, trip ideas, and much more. Like Rabun TU they have a great article on the history of how Trout Unlimited came to be. Once again, it all began with a group of friends with the same love and interest in trout fishing. It too is a unique story. So like our local chapter web site it is a great place to start to learn about the successful group that formed TU over 50 years ago.

Notes from the President

Why should you attend the Rendezvous?

For the 27th year the Rabun Chapter will host the famous “**RABUN RENDEZVOUS**”, to be held on January 25, 2014 at the Dillard House Conference Center, Dillard, GA. Along with a buffet meal, a program speaker and great bluegrass music we will have a live auction, silent auction, and bucket raffles.

Our Chapter is committed to protecting and improving the cold-water fisheries in our area and supporting other chapters in their efforts. However it takes funds to provide the support, equipment, and expenses of this work. The annual Rabun Rendezvous is our main source of funds for the work.

Last year 174 people attended the Rendezvous and we raised over \$9,000, all of which went into projects to support the mission of TU. Here are a few examples of the projects we accomplished with the funds received from last year's Rendezvous:

- * Financial support for GA Council Trout Unlimited Youth Trout Camp, held annually at Rabun Gap-Nachoochee School;
- * Sponsorship of student interns working in Northeast GA cold-water fisheries program with the GA Department of Natural Resources and the US Forest Service;
- * Sponsoring two youngster to attend the Trout Unlimited Youth Trout Camp;
- * Financial support of the GA Department of Natural Resources Smithgall Woods Conservation Education Program;
- * Financial support for the Kid's Fishing Event at Tallulah River (US Forest Service);
- * Financial support for the University of Georgia's Coldwater Research Endowment Fund;
- * Funding for the construction of a handicap accessible fishing pier on the Tallulah River;
- * Financial support for the Rabun County Middle School mentoring program;
- * Equipment and manpower for the West Fork Chattooga River clean-up day;
- * In-stream habitat improvement workday with USFS on a Rabun County brook trout stream;
- * Financial support for Casting For Recovery and Fly Fishing for Vets Wounded Warriors Program;
- * Financial support for National TU's First Cast, Embrace-A-Stream, & Southeast Lands programs;
- * Financial support for the GA Council Trout Unlimited Back-the-Brookie program;
- * Design of Rabun TU's award winning website and Face Book page;
- * Trout Magazine subscriptions to all school & public libraries and two State Parks in Rabun County.

What a list of worthy projects! And your attendance at the Rabun Rendezvous helps to the raise funds that support the mission of the Rabun Chapter of Trout Unlimited! I hope to see you there.
