## Please join us for the 33<sup>rd</sup> Annual **RABUN RENDEZVOUS**

*“The Rendezvous was unlike anything before or since, a gathering of uninhibited men down from the mountains. The event attracted perhaps a hundred mountain men, their Indian wives, and assorted visiting tribesmen. Amusements included gambling, drinking, storytelling – continuing day and night.”* Quote from [\*The Mountain Men\*](#), by George Laycock.

**WHEN: Saturday, January 18, 2020.**

**WHERE: The Dillard House Conference Center**, located behind the Dillard House Restaurant in Dillard, GA.

**WHO:** The more the better! Everyone interested in conserving and protecting our cold-water resources, including their families, friends, and all who love cold streams, trout, and trout fishing.

**SOCIAL: Doors open at 3:00 pm.** Around 4:30 pm folks will start gathering to “pick the pig” and enjoy the rocking chairs on the porch of the Conference Center. There will snack trays of cheese, crackers, veggies with dip, and fruit. Soft drinks and ice will available. There will be a nice fire inside to warm your buns. *Please note the earlier start time from previous years.*

The Foxfire Boys will again provide their ‘down home’ style of bluegrass picking and singing for your enjoyment from 5:00 to 6:30 pm. CD’s will be available for purchase.

Raffle and silent auction items will be available for your chance of purchase. We welcome donations of raffle and auction items!

**DINNER:** Fish, chicken, beef, and pork with all the side dishes and desserts that have made the Dillard House famous will be served at 6:30 pm. It is a serve yourself buffet and you will not leave hungry!

*Please note there will be no guest speaker this year.* For this reason, we anticipate concluding the Rendezvous at an earlier time than previous years.

**COST:** \$35 for adults and \$25 for youth age 15 and younger. Cash, check, VISA or MasterCard are accepted. Pay at the door when you arrive.

**LODGING:** The Dillard House has set special rates for rooms starting at \$79 (plus tax) for those that make reservation and say they are attending the Trout Unlimited Rabun Rendezvous.

The 2019 Rabun Rendezvous provided financial support for the following: GA Council Youth Trout Camp; Sponsoring youth to attend Trout Camp; GA Department of Natural Resources Smithgall Woods Conservation Education Program; US Forest Service Kid’s Fishing Event at Tallulah River; Fly-Fishing 101 educational event; Helicopter stocking program; In-stream habitat improvement on a brook trout stream; Casting for Recovery; Fly Fishing for Vets; National TU’s Youth Education, First Cast, Embrace-A-Stream, Griffiths Circle, and Southeast Lands program; GA Council Conservation fund; and providing Trout magazine subscriptions to all Rabun County schools, public libraries, and Tallulah Gorge State Park.

## **TO ALL RABUNITES:**

The 33rd Annual Rabun Rendezvous is rapidly approaching. The funds we raise are used to support Trout Unlimited efforts for cold water conservation and education.

Your donations are an integral part of that support! Donations to our event are starting to arrive and we'll continue to update and publicize the list of items every couple of weeks. Hopefully, this will provide our prospective attendees the opportunity to identify some of the items in which they may be most interested.

*Please consider a donation to the Rendezvous.* Need an idea for what you can donate? Art, crafts (wood working, fishing flies, etc.), a campout with fishing, a day of lake fishing, a day of deer hunting on a lease, a day of wild turkey hunting, vacations, golf packages, raft trips, weekend use of mountain cabins or condos at beach, and goodies from the kitchens of the Rabunites (cakes, breads, baskets with canned veggies, jams, jellies and preserves) have always been popular with our guests.

If you don't have an item to donate, that's alright! Please consider donating your time at the Rendezvous. We need volunteers to help staff the registration table, assist in the bucket raffle and silent auction events, and to meet and greet the folks who come out to support our great chapter.

And you could also consider making a cash donation to the chapter. You can send it to my address or provide it to a Board of Directors member. We are working on setting up a Pay-Pal account to make it easier to donate. More on that in the coming days.

Thank you for your support of the Rabun Chapter Trout Unlimited!

October 1, 2019

The Rabun Chapter of Trout Unlimited is planning our annual fund raising event and we are asking for your support. For the 33rd year we will host the famous "RABUN RENDEZVOUS" to be held on January 18, 2020 at the Dillard House Conference Center, Dillard, GA. Along with a buffet meal and great bluegrass music we will have a silent auction, bucket raffle and door prizes.

Our Chapter is committed to protecting and improving the cold-water fisheries in our area and supporting other chapters in their efforts. However, it takes funds to provide the support, equipment, and expenses required to carry out this mission. The annual Rabun Rendezvous is our main source of funding for these efforts.

Last year our Chapter raised approximately eight thousand dollars at the Rabun Rendezvous, all of which went into projects to support the mission of TU. Here are a few examples of the projects we accomplished with the funds received from last year's Rendezvous:

- Financial support for GA Council Trout Unlimited Youth Trout Camp;
- Sponsoring youngsters to attend the Trout Unlimited Youth Trout Camp;
- Financial support of the GA Department of Natural Resources Smithgall Woods Conservation Education Program;
- Financial support for the Kid's Fishing Event at Tallulah River (US Forest Service);
- Fly-Fishing 101 Education Event
- Helicopter Stocking Program
- In-stream habitat improvement workday with USFS on a Rabun County brook trout stream;
- Financial support for Casting For Recovery and Fly Fishing for Vets Wounded Warriors Program;
- Financial support for National TU's Youth Education, First Cast, Embrace-A-Stream, General Fund – Griffith Circle & Southeast Lands programs;
- Georgia Council Conservation
- And Trout Magazine subscriptions to all school & public libraries and one State Park in Rabun County.

With this letter we are respectfully asking you for a donation to support our mission of protecting and improving the cold-water fisheries in our area. We are appreciative of any donation, such as gift certificates or physical items that may be included in the raffles or auctions, or through cash donations. Appropriate recognition will be given to donors at both the event and through our monthly newsletter. Our non-profit Federal Tax Exempt 501(c)3 Tax ID Number is # 521766093 and our Georgia State Tax ID is # 067800056.

Please take time to visit [www.rabuntu.org](http://www.rabuntu.org) and look at the photos from last year's Rabun Rendezvous. And of course, you and your family and friends are invited to attend this year's event!

Thank you for your consideration of support for the Rabun Chapter of Trout Unlimited and the Rabun Rendezvous fund raising event.

Sincerely;

KENT WILSON

***Rabun Chapter Christmas Dinner***

***Dillard House Restaurant***

***December 9, 2019***

A large turnout of Rabun Chapter members and guests attended the annual Christmas Dinner on Monday, December 9 at the Dillard House Restaurant. We enjoyed a delicious meal of pork, chicken, vegetables, bread, tea, coffee and a variety of sumptuous deserts. Also many folks brought an unwrapped present for a child and these were later donated to Toys for Tots. Way to go, Rabunites!

## **Rabunite Recons**

**We're announcing a new program in the new year: Rabunite Recons. These are short-notice invitations to members to go fishing. They're meant to complement and not replace the great trips, planned well in advance, by Mike, Charlie, and other Rabunites who have full family schedules and prefer to plan their fishing trips way ahead of time.**

**We hope to use Mike's fishing trip email list as the method to announce sudden trips and meet up, likely streamside.**

**Semi-retirement now affords me more fishing time, especially on weekdays. I typically let the three W's dictate my trip plans for the coming day(s). When my Work schedule, Weather forecast, and Water level "stars" align, I go fishing. Hopefully I'll "catch" more than "fish". And that might appeal to some chapter members, especially our newer folks who could use a little instream advice and may have the ability to go fishing on short notice.**

**Example Dredger email, which Mike would distribute:**

**"Gonna hit Nan DH tomorrow. Should get there around 1 and will stay til dark around 6. Black Sentra with White County plates. Will depart Cleveland around 11:15 and go thru Hiawassee."**

**Let's give it a try. I'm going fishing anyway. If anyone wants to tag along, I'd love the streamside company. Just know that I go at prime angling times and stay through those prime times. I don't hang out first at huddle house or come back early for supper or soccer practice. Folks with commitments are welcome to join me astream late or leave early. Others as ruint as me are welcome to hop in for my Dredger marathons.**

**Get ready for some short notice invitations. And whether you're a big planner or a spur-of-moment angler, we hope you're able to fish more in 2020. In honor of my fishing buddy, the dearly departed Ole Rabunite, I will close this note to y'all with the same well-wishes he shared with me each January:**

**Happy New Fishing Season! Waaahhh HOOO!!!'**

***Fishing the "Big D"***  
**Submitted by Brian Weeks**

The week before Christmas, I enjoyed a solo trip to the Davidson River near Brevard, NC for a day. With a four hour drive ahead of me, I made sure I woke up early enough (2:30AM) to help ensure a full day of fishing. After brushing my teeth and combing my hair, I was in the truck and on the road at 3AM. At 7AM I pulled in the hatchery parking lot.

As one might expect, given the cold night before (low of 36F) and cold morning water (40F), the parking lot wasn't busy. In fact, other than the federal nature center worker's truck, I was the only one in the parking lot.

After gearing up (yes, I wore waders), I made my way down to the chilly water at the bridge and began to nymph my way up to the hatchery exit water pipe. I had on two flies, the smallest being the point fly - a #18 gray WD40. I had the entire hatchery section, which is not stocked, to myself. But, despite my best efforts in this short stretch, including light tippet, multiple fly changes and stealthy long leader casts, I came up completely dry.

I then decided to drop downstream a ways to fish some less pressured, but still unstocked, water and that's when things started to pick up. The water temp at its peak hit a balmy 41F in mid-afternoon.

All in all, I was able to manage 10-12 to the net. The most notable included a 14" wild brown with a pretty deep yellow belly. No 20+" fish, and no big numbers, but still an enjoyable day on the Big D.

***Dredger's December Fishing Report***  
**Submitted by Jeff Durniak**

Semi-retirement is good! I had a chance to hit trout waters multiple times during the Christmas holidays. Hope y'all did, too. The unseasonable "spring" weather had the waters warm and the fishing hot! Most of my trips and tips are chronicled on the Unicoi Outfitters Facebook (FB) page:

<https://www.facebook.com/unicoioutfitters/posts/10158065847225159>

And a few more are on North Georgia Trout Online. You can spy on that site as a visitor by going to it, then hitting "message board" and "jump right in."

<http://www.georgia-outdoors.com/forum>

And for fellow geezers, like me, who don't want the Chinese government hacking our IRA's and who are NOT FB members, you can still view these public FB pages without being a member. If you wanna know a bit more, from blue wings to buggers, to help you with your next trip, take a look.

While January temps should dive and the catching will slow, it shouldn't die. When I see a nice cool day and water temps still above 40, I'm heading to the river. That's why Santa brought us fleece, goretex, and hand warmers!

Stock up now on legs, eggs, buggers, sexy Walts, and pheasant tails. And I'll "catch" you a-stream in the new year.

***A New Years Tradition***  
**Submitted by Pat and Tammy Hopton**

For the past 7 years, we have rented one of the cabins at [Smithgall Woods State Park](#) during the New Years holiday. If you've never stayed at one of their cabins, let us tell you what a treat they are. These are NOT your typical State Park cabins (though there is nothing wrong with typical Park cabins!). These cabins are extra nice, very private, and the State Park folks go out of their way to make sure you are well taken care of.

Since it is just the two of us, we rent one of the one-bedroom cabins, with Laurel Cottage being our favorite. In addition to being fully furnished, we especially like the Jacuzzi hot tub out on the deck! Ahhh..... What a treat!

One of the things we really like about Smithgall is that those who rent a cabin have exclusive fishing privileges to Section One of Dukes Creek. This section is reserved for only those who rent cabins. It is an incredibly pretty section of creek and, as those who fish Dukes Creek know, there are some really big fish there!

We also like to hike the connector trail from the cabins up to [Dukes Creek Falls](#). In addition, there are several other nice hiking trails in Smithgall Woods State Park.

You may think the cabins are a little expensive, but for a once a year treat they are well worth it. Besides, Smithgall Woods State Park has always been a great supporter of the Rabun Chapter and we like to patronize those who support our Chapter.

We love it there and always look forward to going back. Why don't you try it out?

## Prez Notes

I sincerely hope that all of you have enjoyed a Merry Christmas and a Happy New Year. The unseasonable weather has been excellent for some mid-winter trout fishing and I hope that many of you have seized the opportunity to take advantage of it.

As you read this edition of Tightlines, the 2020 Rabun Rendezvous will be right around the corner. I would like to remind everyone that this is our chapter's largest fundraising event of the year. We rely heavily on the monies raised from this event to enable the chapter to fulfill our mission. We are deeply appreciative of our business partners as well as all who contribute through the donation of items for the Silent Auction and/or Bucket Raffle, those who contribute monetarily as well as those who contribute by investing their time in the tedious preparation for this very important event. The success that the Rendezvous continues to enjoy each year would not be possible without the support of all of you! So, as we begin the final count-down for the Rabun Rendezvous, please remember that your support in whatever form is much needed and greatly appreciated!

A partial listing of items that will be available to bid on at the Rendezvous will be forthcoming via email blasts and Rabun Trout Unlimited Facebook posts so mark your calendars and stay tuned for further information. I hope to see you all at the Rabun Rendezvous on Saturday, January 18, 2020!
