## ALASKA FISHING TO BE FEATURED AT JUNE MEETING

The Rabun Chapter of Trout Unlimited will hold its' monthly meeting on Tuesday evening, June 20th, at the Rabun County Library in Clayton. The program will begin at 7:00 PM following fellowship at 6:30PM.

Andy Doloff, U. S. Forest Service experiment Station at Virginia Tech, will offer a look into FISHING IN ALASKA. If you have ever dreamed about catching those "biguns", and who hasn't, be on hand for what is surely to be an interesting presentation.

We will also get up-to-date information on the ongoing West Fork of the Chattooga Study. This latest project will have been going on for nine days by meeting time and should be of great interest.

## TROUT DAY AT MOCCASIN CREEK STATE PARK

Our Chapter has been asked to participate in TROUT DAY at the park by demonstrating casting skills, fly tying and in general, our unsurpassed knowledge of trout and trout fishing. Plan to meet at the pavillon in the park about 1:00 PM and plan to stay until about 4:00PM.

THERE WAS TO BE MUCH MORE INFORMATION TO CONVEY THIS MONTH BUT DUE TO A DEATH IN MY FAMILY IT WILL JUST HAVE TO WAIT UNTIL THE JULY ISSUE.
