MYSTERY SPEAKER SCHEDULED FOR OCTOBER

Since HUGO and a low depression trough put a squeeze play on Rabun County, our September meeting and work projects were scrubbed. There are several pressing matters to discuss during our October meeting to be held on Tuesday evening, October 17th, 1989 at the Rabun County library, Clayton. It's time to think about officers for the coming year; the results of our membership survey will be disclosed; rescheduling of the cancelled work projects; the January banquet; all need to be considered.

To entice as many members to attend as possible we have enlisted the help of a guest speaker whose identity cannot be disclosed until the evening of the meeting. Just be assured that this person is entertaining, spellbinding and informative. DON'T MISS THIS MEETING!!! Six Thirty fellowship and the meeting at seven.

CHATTOOGA RIVER BASH AT CLEMSON

On October 24, 1989, The CHATTOOGA RIVER CHAPTER will hold their first Annual National Conservation Banquet at Clemson University in the Kresge Lodge on Twin Lakes Road. This is an ambitious undertaking and deserves the wholehearted support of our membership. An order blank appears in this newsletter. Make your check payable to "Trout Unlimited" and send it with the form to: Art Shick, 26 Beacon Ridge Circle, Salem, SC 29676.

DALONEGA TO HOST FOREST SERVICE/TU MEETING

A meeting to discuss encouraging greater participation in joint work projects between the USFS and TU will convene at 9:00 AM at the library in Dalonega on December 9th. Two members from each chapter are urged to attend and take part in this meeting. More on this at our October meeting.

THANKS TO JIM HARRIS

In a fit of depression caused by inactivity on the river, Jim Harris, chapter member, has donated 300 feet of silt fence to be used in our efforts to hold back the gook. Unfortunately this fencing comes uninstalled and we will need to schedule some project time soon. Thanks, Jim, we'll put it to good use
