Tight Lines

Monthly Meeting's

No formal meeting in May. Any business that needs to be discussed will be handled at the campout .

Kyle Burrell is on the agenda for the June 17th meeting to present the findings of his research on the Chattooga River. The meeting will be at the Rock House in Clayton, 6:30pm.

Alert - Alert -Alert

One of our members asked me to give some advice. When going fishing, check for the following items: license, reel with spool, nymphs and flies.

Campout On The Nantahala

That's right, it's here! The chapter has a group site reserved for this coming weekend (May 16th and 17th). **If you have not talked to Tom Landreth to reserve your spot, please call him as soon as possible! Dial him up at 706-746-2295. He needs to know you're coming.**

To get there, from Clayton travel to Franklin (NC), go west on 64. Look for the sign that points to **LBJ Job Corps and Wayah Bald**, turn right. Go about 200 yards and you should see a gas station on the left, turn left on Wayah Bald Rd. Follow Wayah Bald Rd. over the mountain (20-30 minutes depending on how you drive) and you will come to a small community. Be looking for a sign that that points to the **Apple Tree Group Campground**; turn left. Follow the signs to the campground which is about 2 miles down on the left. The chapter has reserved group area "D" . If you arrive late and the gate has been locked, the combination is 0232.

Call Tom if you plan to be there!
