News from the President.....

Charlie Breithaupt

We just completed two events that are critical for our chapter. The support and interest was outstanding for both. First, we held the "biggest and best" Rabun Rendezvous, raising almost \$11,000 and providing a good time for about 260 folks from near and far. Then, on February 8, we gathered again at The Dillard House to set our budget and plan activities for the year. Once again we had a good crowd and a lot of input. That Dillard House food does draw a crowd. Thanks to all for your participation and support.

As we look ahead to meetings, work projects, campouts and fishing together I'm sure the enthusiasm and help will continue. Thanks to Fran Uieg for doing our publicity; to Tom Landreth for contacting the Boy Scouts and Maria Frady for contacting the Girl Scouts to get us involved with them; to Doug for trying to keep the Forest Service straight; to Russell Johnson for managing our money; and to Terry Seehorn for continuing to work with our programs. Of course, thanks to Kathy who really runs things and just tells me what to do. Although our chapter is small in number we have the best participation, per capita, of any chapter around. We should be proud; let's keep it up!!
